INTRODUCING THE

# THEIA

TABLE LAMP

AURA RINGS

CLASSIC

The THEIA Table Lamp is made from reclaimed clay, which gives each piece a unique character. The subtle variations in texture and color are a beautiful reminder of the natural world. THEIA is the goddess of light & vision.

Theia's creation has been a collaborative effort between the two design studios. The base design draws inspiration from Nammu's distinctive vessel styles, modified to produce a fresh perspective. A hallmark of Studio Lloyd's work is the handcrafted crochet shade, meticulously crafted from their signature rope material. The combination of ceramic and crochet rope harmonizes contrasting elements, resulting in a unique fusion.
